

16th SERBIAN CONGRESS OF FRUIT AND GRAPEVINE PRODUCERS

with international participation

Hotel „Fruške terme“, Vrdnik, Serbia

19-22 October 2020

First announcement

Dear esteemed Colleagues,

Faculty of Agriculture, University of Novi Sad, Department of Fruit Science, Viticulture, Horticulture and Landscape Architecture and Scientific Pomological Society of Serbia are organizing the 16th Serbian Congress of Fruit and Grapevine Producers with international participation, which will be held from 19th to 22nd October 2020. The work of the congress will be organized in the form of oral and poster presentations and divided in the following thematic sections:

- Genetics and breeding of fruits and grapevine;
- Physiology and ecology of fruits and grapevine;
- Growing technology of fruit and grapevine;
- Fruits and grapevine nursery production;
- Protection of fruits and grapevine;
- Harvesting, storing and processing technology of fruits and grape.

It is our great honor to invite you, on behalf of the Program and Organizing Committee, to participate in the work of Congress and thus contribute to the development of fruit growing in Serbia.

Sincerely

Dean of the Faculty of Agriculture
Dr. Nedeljko Tica

President of the Programme Board
Dr. Zoran Keserović

President of the Organizing Board
Dr. Dragoslav Ivanišević

Congress

Abstract submission deadline is 1 April 2020. Abstract should consist of the following elements: 1. Title; 2. Surname and name of all authors; 3. The full name of the institution and its address. If the authors are from different institutions, list all the institutions, and clearly indicate the affiliation of each author with the institution by the number after the author's name and the same number in front of the name of the respective institution; 4. Text. Abstract length (not including title, author's name and institution's name) should not exceed 300 words; 5. Keywords (up to 5 words). We recommend that authors prepare an abstract in a word processor (such as Microsoft Office Word) and copy it to this field. Authors should prepare the abstracts in Serbian and English. Authors that do not speak Serbian language will be provided with an English translation.

Registration form for participation at congress can be found at following [link](#).

Abstracts should be submitted at following [link](#).

Full papers will be printed in „Journal of Pomology“ published by Scientific Pomological Society of Serbia.

The working languages of the Congress are Serbian and English. Presentations should be in English and oral presentations should be in Serbian or English.

Poster presentations can be in one of the Congress working languages. The dimensions of the poster should not exceed 80 x 100 cm.
